

GAMUDA SECURES RM1.74 BILLION CONTRACT FOR HYPERSCALE DATA CENTRE IN ELMINA BUSINESS PARK

Petaling Jaya, 24 May 2024: Gamuda Berhad's (Gamuda) wholly owned subsidiary, Gamuda Engineering Sdn Bhd has been awarded a combined contract valued at RM1.74 billion for the development of a hyperscale data centre in Elmina Business Park.

The project consists of two key phases:

Phase 1: Construction - Gamuda will be responsible for the construction, completion, testing, and commissioning of the hyperscale data centre and associated ancillary facilities. This phase has a contract value of **RM815 million** and is scheduled to begin on 27 May 2024, with a target completion date of 27 February 2026.

Phase 2: Mechanical, electrical and plumbing (MEP) Fit-out – A separate contract valued at **RM928.6 million** covers the fit-out, testing, and commissioning of the data centre's mechanical, electrical, and plumbing (MEP) systems in Elmina Business Park 1A. This phase is expected to commence on 1 July 2025 and be completed by 9 September 2026.

To meet the rising demand for data centre construction, Gamuda plans to ramp up its Next-Gen Digital (Industrialised Building System) IBS production capacity for data centre materials. This strategic move positions Gamuda to capitalise on the significant opportunities.

About Gamuda Berhad

Founded in 1976, Gamuda Berhad has grown into a regional engineering, property, and infrastructure leader. We're known for our innovative solutions and commitment to excellence, with a presence across Malaysia, Taiwan, Singapore, Australia, the United Kingdom, India, Vietnam, Bahrain, and Qatar.

Our digital transformation journey began five decades ago, exemplified by our early adoption during the Stormwater Management and Road Tunnel (SMART) project. Renowned for pioneering iconic solutions like the SMART and introducing cutting-edge tunnel boring technologies, such as the Variable Density Tunnel Boring Machine (VD TBM) and the Autonomous Tunnel Boring Machine (A-TBM), we continue to shape the infrastructure landscape with our vision: "Leading the region in breakthrough solutions."
